Company Introduction

CENDRAWASIH
LANDSCAPE SPECIALIST®

Founded and led by Cendrawasih Group since 1982, we have established ourselves as a trusted leader in the landscape design industry. Managing a wide range of **Commercial** and **Residential** projects nationwide, we serve both public and private sector clients. Specializing in creating landscapes that seamlessly blend with nature, we enhance the spaces they occupy. Our expertise in design and sustainability allows us to deliver tailored solutions for both outdoor and indoor environments.
Committed to innovation and client satisfaction, we craft functional and aesthetically compelling landscapes that leave a lasting legacy.

Vision

To lead the landscape design industry by seamlessly integrating artistry, sustainability, and innovative solutions in every project.
We aim to create exceptional outdoor and indoor environments that inspire, elevate, and foster a profound connection between people and nature. By delivering the highest standards of craftsmanship and client service, we strive to provide tailored solutions that exceed expectations
Our commitment to eco-conscious practices and dedication to quality ensures lasting beauty and harmony in every space we shape, leaving a legacy of enduring elegance and tranquility.

Mission

To create and cultivate outstanding landscapes that embody beauty, sustainability, and harmony. With a team of experienced professionals, we combine our expertise in landscape architecture with a commitment to environmental responsibility, designing spaces that captivate and enrich. We are dedicated to maintaining the highest standards of quality, from concept to completion, ensuring each project exceeds client expectations. By fostering close, responsive collaboration with our clients, we transform their visions into reality while honoring the natural environment and delivering lasting satisfaction.

Design |Project | Maintenance

We are the heart of comprehensive landscape solutions. From conceptualization and innovative design to seamless project execution and meticulous maintenance, we curate and care for outdoor and indoor spaces that transcend expectations.

Our design ethos blends creativity and functionality, tailoring landscapes to reflect individuality while embracing sustainability. Through precise project management, we bring these visions to life, ensuring every detail meets our clients' aspirations.

Beyond creation, our commitment extends to nurturing these landscapes.
With a dedicated maintenance team, we ensure longevity and vitality, preserving the beauty and functionality of each environment, enriching lives, and fostering enduring connections with the spaces we craft."

Project Completed

With a diverse range of completed projects, we take pride in transforming outdoor and indoor spaces into captivating environments that reflect our clients' visions.

From sprawling gardens to intimate urban oases, our completed projects stand as living testaments to our dedication to creativity, precision, and client satisfaction.
Each space bears the hallmark of our craftsmanship, blending artistry with functionality and sustainability.

Our success lies not just in the completion of these projects but in the enduring beauty and functionality they provide.
These landscapes continue to inspire, enchant, and thrive, serving as a testament to our passion for creating enduring natural beauty
